

**SCHOOL OF OPTOMETRY AND VISION SCIENCE
UNSW**

**SUPPLEMENTARY EXAMINATION TIMETABLE
SESSION 1, 2008**

The information below is all that is available regarding supplementary examinations. Please do not contact the Course Controllers or School to ask for further details regarding the examinations.

This is for OPTM and VISN courses only. Information regarding further assessment in servicing courses (e.g. CHEM****, PHPH****, etc) must be obtained from the School responsible.

Please note that the rules and regulations governing the examinations held with the formal examination period by the University also apply to these supplementary examinations. This includes displaying your student identification card on your desk in the examination room for the duration of the examination.

PLEASE ADVISE THE SCHOOL IMMEDIATELY OF ANY CLASHES.

This document consists of three pages.

OPTM2111 OPTOMETRY 2A

The following OPTM2111 students have a supplementary exam in Ametropia. The exam will be 1.5 hours duration, to be held **Monday, 7 July** at **10 am** at the AOP Seminar Room (Room 2.030), Level 2, Rupert Myers Building. The format of the exam will be similar to the June paper.

There will be some comments regarding common student failings in the exams placed by A/Prof Junghans on the course's WebCT site.
